

## Julie's Wish List

Some people have asked if they can send me "Care" packages. And, if so, what I would like that I can't get here? Here are some ideas of things I would enjoy receiving. ☺

List updated: 5-21-10

Packaged Alfredo (McCormick's brand is my favorite.)  
Taco mix (any brand)

Angel food cake or poppy seed muffin mixes

Microwave popcorn

Canned black olives or canned chicken

Wheat Thins, Ritz Crackers, Mother's Circus Animal Cookies, Oreos

Sewing thread in shades of tan, blue, or green

Favorite candies: Twix, Reese's Pieces, Almond Joy, Milky Way, Red Vines licorice, Skittles, Gummy Bears

Good books  
(Suggestions: Gilbert Morris's Singing River series any book)

Candles

Baby Yarn (Bernat Baby Sport Yarn variegated colors)

Good used Children's Clothes or fun fabrics to sew clothes  
(for the children in the malnutrition program)

Small stuffed animals to give as gifts to malnutrition kids

Movies: Any new films released since fall 2007 that are good.

For the hospital we could really use surgical laps and towels that we can sterilize. Or bulb syringes for suctioning newborns mouth/nose. If any of you are in the medical field and could get some, we would really appreciate it!
